Re: Missouri v. Williamson, Case No. 240910007
Leaving the Scene of a M/V Accident

Dear Mr. Williamson:

I am writing to inform you that the above criminal case was filed against you in Warren County Circuitton Municipal Court on August 18, 2025.

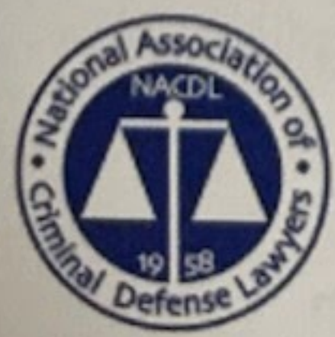
The case may have been issued on a summons, which means you have a court date you must attend. Or the case may have been issued on a warrant, which means the police have a warrant for your arrest, and when arrested, you will not be released from jail until you post a bond – even if the police previously arrested or questioned you about this incident.

If this comes as a surprise to you, then I apologize for being the bearer of bad news. You should have heard it in a more "official" way first. But I wanted you to know as soon as I did so you can begin *to deal with the problem*.

You may have many questions right now, such as …

- What am I going **TO DO**?
- It's been weeks or even **MONTHS** since the incident, and I thought it was all over, so why is it coming up **NOW**, after all this time?
- Am I going to **JAIL**?
- What about my **JOB**? My **FUTURE**? And my **FAMILY**?
- And how much is all of this going to **COST** anyway?

Maybe you've never been through anything like this before – you may have no idea what to expect or what lies ahead. Or maybe you've been wrongly accused – or the police only have half the story. Or worse, the police didn't care about your side of the story. Or maybe you just want to deal with this and *get it behind you*.



Some people have personal circumstances that make criminal charges an even bigger problem. Your job may require a **CRIMINAL BACKGROUND CHECK**. If you're not a U.S. citizen, your **IMMIGRATION** status is in jeopardy. You may be a gun owner, which means you should be concerned about how these charges could affect your right to own a **FIREARM**. And if you have a **PROFESSIONAL LICENSE** (or plan to have a professional license in the future), we really need to talk.

I am a criminal defense attorney, and my team at **ROSE LEGAL SERVICES** helps people just like you. We dedicate our practice exclusively to representing people who have been charged, arrested, or investigated for a crime. It is our **PASSION** and **SOLE FOCUS**. We do nothing else. *You do not have to go through this alone.* And conscientious judges *will not even let you*.

We offer a no-obligation initial consultation at **NO CHARGE**, so please call us at **314.463.4170** to discuss your case or schedule an appointment. Our main office is conveniently located at I-44 and I-270 in Sunset Hills, we have an office available for meetings in O'Fallon, and we can meet you at any of the area courthouses or jails. And we offer video conferences by Zoom (you won't need a Zoom account).

We also offer **OPEN OFFICE HOURS** every Tuesday from 4:00-6:00 and every Friday from 1:00-3:00 at our Sunset Hills location. No appointment is necessary to meet with a member of our legal team during Open Office Hours – we see "all comers" on a first-come-first-served basis. You may come in person or join by video using the Zoom app and Meeting ID 477 552 8802 (please call us if you need help with Zoom).

Please do not delay. You must attend court at Warren County Circuitton Municipal Court soon, and it is important that you have an attorney present to protect your rights.

Even if you just want to know the date and time of your next court appearance, or the amount of your bond, we would be pleased to provide that information. Our number again is **314.463.4170**.

Sincerely,

W. Scott Rose
